

Georgetown University Hotel and Conference Center and ARAMARK continuously develops and elevates their commitment to environmental stewardship programs and policies.

Six core areas make up our Green Thread Program:

- Sustainable Foods
- Green Buildings
- Waste Stream Management
- Responsible Procurement
- Energy & Waste Conservation
- Transportation

On this property we use:

- 100% recycled content guest room key cards and key packets
- In-Room recycling program, which includes the Brown Bag program and the Linen Re-Use program
- Green Amenities offered in our guest rooms
- Recycle soap bars by participating in the Clean the World program
- Energy efficient light bulbs
- Timer switches in ballrooms
- Sustainable foods within the Food & Beverage operations
- Waste Conservation (Oil and food composting that we send out)
- Soy candles in Banquet Functions
- Only use recycled copy paper in all of the copy machines/fax machines/printers on property
- Organic pens in the meeting space
- Cardboard straws

*We hope that you will support us in our efforts to promote a “Greener” lifestyle.*
